### **“Love...There Is Nothing Greater”**

Can we fathom true love? Nothing is better than Love...greater than Love. Love touches hearts...changes lives...brings encouragement, comfort, hope...overcomes aggression and inspires confidences. Love does not mean overlooking sin, faults and failures but Love “loves” in spite of sins, faults and failure. Love is not blind – it does see more, not less. But because it sees more, it is willing to see less.

God says to the world: “I love you!” He demonstrated His love by sending Jesus Christ to die in our place. The Bible says: “...not that we love God but that He loved us (first) and gave Himself for us” (on the Cross).

God wants you to experience His love. He wants you to know that you are soooo special to Him. Don't allow Him to feel like four-year-old Martha, hugging a doll in each of her pudgy little arms, looking up wistfully at her mother and said: “Mama, I love them and love them and love them, but they never love me back!”

As you celebrate Valentine Day this Sunday, come to church and express your love to God for His many goodness's. Let your spouse know how much you love him/her. The Bible says: “There is hope, faith and love but the greatest is love.”

May God's Love Shine Greater In Your Life!
