

Pastor's Weekly Devotional- March 7th, 2019

“Is Jesus Really Lord of Your Life?”

Many of us trust our relationship with Jesus Christ as though He were the Queen of England. The Queen has a title but she doesn't have any power. Everybody recognizes her, pays homage to her but she cannot pass laws or make decisions. Her power is found in one act – a weekly meeting with the Prime Minister. He gives her an update of the state of the country.

We often do the same. We come to church once a week for a religious update. We sing about Jesus and pray our weekly prayer and its over for the rest of the week. Jesus is not given control of our lives. He certainly doesn't make any decisions. Yes, we call Him Lord; but the words that come out from our lips indicate that we are the ones who call the shots.

So, in this Lenten season, why not take an introspective look at our hearts, our words, our actions and our relationship with others and with God and make Jesus Christ Lord of our lives.

Have a blessed week! See you in church Sunday!
