“God's Affection For Humanity”

*“But when the kindness of God our Savior and His love for *humanity appeared, He saved us, not on the basis of works we have done in righteousness, but according to His mercy...through Jesus Christ...*” (Titus 3:4-7, NASB)*

These verses reveal an immense truth. God's loyal love for humanity demonstrated itself through the actual appearance of the Christ Child. This kindness or favorable predisposition of God manifested itself that very first Christmas.

Consider the following:

- God's gift of salvation came through Jesus Christ.
- This salvation will have a global impact because Jesus is “the Savior for all peoples.”
- God will ultimately judge the hearts and minds of all people. Their destiny is determined by their response to Messiah Jesus, who will be their judge.

Whatever our culture wishes to think about God, the aforementioned scripture clearly teaches that God is kind and gracious. He wants to extend His great mercy and kindness to everyone – that includes YOU and ME. How about accepting God's indescribable gift – the Lord Jesus Christ into your life today? What do you have to lose?

Have a blessed week. See you in church Sunday.
